UTIITSL ties up with National Health Authority to provide print services for PMJAY e-cards

**New Delhi:** UTI Infrastructure Technology And Services Limited (UTIITSL) has signed MoU with National Health Authority (NHA) for providing the printing services of e-cards to the beneficiaries under Ayushman Bharat Pradhan Mantri Jan Arogya Yojana (AB PM-JAY) which provides an annual health cover of Rs 5 lakh to 53 crore poor eligible citizens to avail cashless secondary and tertiary healthcare anywhere in the country in its empanelled healthcare providers.

The MoU was signed by Vipul Aggarwal, Deputy Chief Executive Officer, NHA and Vijay Kumar Jain, Managing Director & Chief Executive Officer of UTIITSL. UTIITSL will be providing printing services & support the

beneficiary identification and verification process in the issuance of e-cards to beneficiaries of AB PM-JAY scheme. UTIITSL will be providing the services of printing of e-cards through its branches and PSAs.

Vijay Kumar Jain, MD&CEO, UTIITSL said, "UTIITSL is proud to be associated with the National Health Authority in achieving its objectives of implementation of Ayushman Bharat Pradhan Mantri Jan Arogya Yojana. UTIITSL will leverage its existing PAN India network to reach at the ground level to identify beneficiaries under AB-PMJAY scheme and assist them in the filling up of online validation process for Beneficiary Identification System of PM-JAY through its centers across various locations/PSAs in the country."

'Ayushman Bharat' scheme crossed the one crore treatments mark and aims to reach to an even larger number of beneficiaries through UTIITSL having PAN India network.

Note that the National Health Authority (NHA) is the apex agency of the Government of India responsible for the design, roll-out, implementation and management of Ayushman Bharat- Pradhan Mantri Jan Arogya Yojana (AB PM-JAY) and the National Digital Health Mission across the country. NHA functions as an attached office of the Ministry of Health and Family welfare and is governed by a Governing Board chaired by the Union Minister of Health & Family Welfare and has 11 members. Inter-alia, its functions include formulation of PMJAY policies, development of operational guidelines, implementation mechanisms, coordination with State Governments, monitoring and oversight, among others.

Vipul Agarwal, Dy. CEO, NHA said, "Ayushman Bharat – Pradhan Mantri Jan Arogya Yojana (AB – PMJAY) is 100 per cent technology and data-driven and analytics-oriented from day one of its implementation. The AB-PMJAY aims to target more than 10.74 crore poor, deprived rural families and occupational category of urban workers' families identified as per the Socio-Economic Caste Census (SECC) 2011 database. In less than two years, 1.2 crore cashless treatments worth Rs. 15,000 crore have been provided. We believe that through this partnership with UTIITSL, we will be able to reach out to an even larger number of deserving families, especially in the remote, unconnected locations and enable them to access affordable quality healthcare through PM-JAY."

Eligible beneficiaries can avail cashless secondary and tertiary care across the growing pan-India network of 23,000 public and private empanelled hospitals through the portability feature of the PM-JAY scheme. This helps the migrant workers who work away from home or are registered at a place where they don't belong. Till date around 12.55 crore e-cards have been issued.

For getting a PM-JAY e-card issued, beneficiaries need to get their individual and family identity verified at UTIITSLs Centres/PSAs with the help of a document such as Aadhaar card and the registered beneficiary will be able to avail the benefits under AB-PMJAY scheme.

It is worth mentioning that UTI Infrastructure Technology and Services Limited is a Government of India Company through Specified Undertaking of Unit Trust of India (SUUTI) under Ministry of Finance (MoF), having its Registered Office at Navi Mumbai with four Regional Offices at Mumbai, Kolkata, Chennai and Delhi and PAN India presence at 47 locations. UTIITSL has been operating since 26 years; providing Infrastructure, Technology and outsourcing services to various Financial and Government Departments in India.
